Faith-based office workspaces can reopen within the following parameters:

1. Faith-based facilities are considered “offices” only for those employed by the organization and where the facility is their regular place of work.
2. The employer should implement state guidance relating to offices before reopening the facility for employees.
3. This designation does not permit gatherings of non-employees, such as the organization’s congregation.

Review the guidance, prepare a plan, and post the [checklist for office workspaces](#) in your workplace to show customers and employees that you’ve reduced the risk and are open for business
